Control & icon sizes

control/compact 36 · control/default 44 · control/large 52 icon/small 16 · icon/medium 20 · icon/large 24

Radius

none 0 · compact 10 · control 12 · card 16 · pill 999

Borders

Default borders use 1 px, strong dividers 1.5 px, and keyboard focus rings 2 px.

Opacity

0% 8% 48% 64% 100%

Use opacity tokens for state and elevation behavior; never encode hierarchy with arbitrary alpha values.

Effect · Shadow/Card

Quiet elevation, clear hierarchy

Use on cards that need separation from Warm Paper without heavy chrome.
